### LOOKING THROUGH A GLASS ONION

### UP CLOSE AND PERSONAL—JOHN WATERS

**Friday 16th March—8pm**

JOHN WATERS' CRITICALLY ACCLAIMED TRIBUTE TO JOHN LENNON.

*Looking through a Glass Onion* is an homage to the music, mystery and memory of John Lennon, It's part concert and part biography thought it doesn't seek to tell the full story of Lennon's life.

With 31 songs performed, including *A Day in the Life, Strawberry Fields Forever, Revolution, Lucy in the Sky with Diamonds, Woman, Jealous Guy, Imagine* and more, this is a show for all ages.

JOHN WATERS  
Musician/Actor/Writer

STEWART D'ARRIETTA  
Musician/Composer  
Musical Director.  
Have returned to their 'up close and personal' intimate 2 man show tour commencing in January, 2012.

"The song 'Glass Onion' was John Lennon's post-script to The Beatles. It had such a strong image of crystal ball-gazing and peeling away the layers that it inspired the format for this show—a kaleidoscope collage of song, word, emotion and image", agrees D'Arrietta with Waters.

Presented by Harbour Agency the show **"LOOKING THROUGH A GLASS ONION—Up Close and Personal"** will be at the Nautilus Theatre on Friday 16th March. Tickets are available from the theatre Telephone—8683 5088.

After winning the 2010 ARIA for Best Country Album with their second album 'Wrapped Up Good' the group also picked up their 5th Golden Guitar at the 2011 Australian Country Music Awards in Tamworth.

This was followed by a second sell out 'Wrapped Up Good Tour' in early 2011 and then from June the group went to America for 6 months to tour and release the album in the States. At the conclusion of their USA tour **The McClymonts** were awarded the prestigious 2011 CMA Global Artist Award.

## EYRE AND BEYOND—An exhibition by Hannelore and Tony Arnold Opening Thursday February 16th at 6pm.

A joint exhibition will be held in the Walter Nicholls Memorial Gallery from the 16th—28th February showing works by *Hannelore* and *Tony Arnold*. The artwork reflects things they see around them in their everyday environment and the impressions they get from them.

Tony is a first time exhibitor and his main interest is nature photography and portraits.

Hannelore belongs to a local drawing group and has a background in decorating—being quirky by nature, making art has become her life.

Tony's interest in photography started at a young age. He purchased his first SLR camera in 1971 and after some initial reluctance finally made the transition to digital a few years ago. His work is stretched on canvas and is not digitally manipulated.

## THE GALLERY SHOP—Fine Arts, Crafts and Gifts

THE GALLERY SHOP is situated at the front of the Civic Hall Complex and is open from Monday to Saturday from 10.00am to 4.00pm.

The Gallery Shop is a great place to browse and appreciate the talent of our local artists. There is a diverse range of work to choose from and new pieces are constantly being added.

After 5 years as Administrative Assistant Anne Burke was farewelled at a "Thank You" function on the 13th January.

Anne has had the difficult task of rostering the wonderful volunteers who work in the Gallery Shop and ensuring the artists receive their payments each month along with ticket sales to theatre productions.

Volunteers at the Civic Hall Galleries and Gallery Shop are helping to promote the arts and crafts in our community—without them we could not open every day. Volunteering at the Civic Hall is a great opportunity to work with friendly people and meet the many visitors to our town.

Bruce Green and Lunette Puckridge are regular volunteers at the Galleries and Gallery Shop.
